EXPERIENCE
PROFESSIONAL

DATASITE   03/2018 - PRESENT
PRINCIPAL PRODUCT DESIGNER
Mentoring new designers of all levels, leading over arching company strategies, researching new angles for additional company business/revenue, all while being an active individual contributor for multiple development teams.

P2 ENERGY SOLUTIONS   02/2017 - 03/2018
PRINCIPAL UX DESIGNER
Managing the UX department, designers within it, and design/research strategy for all P2 products. Receiving product requests, then weighing those requests off of user needs validated by in-person user research. Public speaking at customer events.

BURNS MARKETING   08/2015 - 11/2016
UX LEAD
Meeting with clients to understand Business needs while bridging the gaps between User goals and Business goals. Doing the research upfront to validate/debunk any assumptions we or the client may have around their users and to base design and marketing solutions based off of data and creating clear insights illuminating the best route forward with measurable improvements.

DAVITA   10/2014 - 08/2015
SENIOR UX DESIGNER

MERKLE   04/2013 - 10/2014
UX ARCHITECT

PHOTOBUCKET   07/2012 - 03/2013
WEB AND MOBILE UX/UI

INSIGHT SOFTWARE   04/2011 - 04/2012
UI AND FRONT END DEVELOPMENT

EXPERIMENTS IN LIGHT   09/2009 - 07/2012
FREELANCE WEB DESIGN AND DEVELOPMENT
